

1. While the new MBBS students of Jhargram Medical College will come to occupy the hostel (preferably on 22.11.1022) they should come first to the Nursing Training School within the Jhargram Hospital premises by 10 - 11 a.m. where they have taken their admission.

2. They should have the filled up the hostel admission forms and carry the relevant documents along with the form.

3. The students will be accompanied to the respective hostel by the Medical College authority.

4. They should carry with them their own bedding materials and the utensil sets along with other belonging. The mattress of the cot (size: 6.5 feet × 3 feet) can be bought from local market.

5.

a) Meals will be provided in the hostels in 4 times a day and charges will be fixed for every meal. Students will have to take meals from the hostels at least for 12 days per month (4 meals per day).

b) In every morning each student has to inform the kitchen authority of his or her respective hostel which of the meals (either all the four meals or skip any of the meals) he or she is going to take on that particular day and accordingly the meals will be cooked.

6. For any other point one may contact the hostel committee members.

7. Guardians will not be allowed to stay inside the hostels.

They will be able to meet their son or daughter in the ground floor of their respective hostel in a particular time of the day.

8. Every student should carry one apron with them while coming to the hostel along with 4 exercise books at least, 3 practical files, pens, pencils, rulers, coloured pencils, eraser and a bag (back pack) to carry all these.

9. Along with normal clothes and bedding materials, woolen garments and blankets are also to be brought by the students to the hostels (may be later).
